Head for the hills for the Grand Daddy of First Day Hikes!

Are you looking to get out to stretch your legs on New Year's Day? Join the DCR Park Rangers for a First Day Hike through the Blue Hills Reservation. Starting at noon, check out the Blue Hills Trailside Museum live wildlife program, purchase a cup of hot cocoa and a snack (no soup) from Venture Scouting and share some New Year's cheer around the warming fire. DCR rangers will lead three easy to moderate hikes at 1:00 pm for a one to one and a half hour trek in the great outdoors. Choose the hike to suit your interest and ability, including a stroll around Houghton's Pond for families with young children.

Dress warmly and wear sturdy hiking boots for all hikes.

Program may be canceled for inclement weather.
